JoAnne:
 On May 22 my client Ecoplexus filed a Consent Motion for a 45 day continuance, with Dominion consenting to that Motion. The basis for the Motion was COVID-19, and the need for additional time to discuss settlement. The Motion was accepted for filing, but the Commission has not acted on the Motion.
 In light of that pending Motion, would you be willing to hold off on establishing your below deadlines?
 Thanks very much-
 Weston

For each and every party planning to argue or comment upon the Motion during the Oral Argument before the Commission, the name of the attorney/representative, telephone number, email address, title and company represented is needed. The media used will be WebEx and all participants must use Audio Conference for sound. The party, by and through its counsel or representative, is responsible for timely submitting this information and for advising of any changes prior to the scheduled oral argument. **This information is needed no later than June 10, 2020.**

Lastly, it is also possible for a **virtual run through or prehearing conference** to be held prior to the scheduled hearing on June 24th so that any issues or problems related to the virtual formatting of the hearing can be addressed. Subject to the availability of the Commission's IT staff, a virtual prehearing conference **can be held on Monday, June 15th (time to be set) or at or after 3:30 on Tuesday, June 16, 2020. Please advise of the party's availability.**

Thank you for your attention to this matter. If you have any procedural question for Commission staff, please remember to "reply all" so that all parties are included and advised of the same. All correspondence with Commission Staff must be filed in the Docket for this proceeding as stated below.
